

Can you hear the angels

J. Engström

A Solo: Making plans for tomorrow, never living today
Everything tries to catch my mind, wish I could fly away
Everybody needs sometime, when they can rest
With my eyes closed I almost feel like the shepherd on
Christmas day, so close your eyes and tell me

B Can you hear the angels whisp'ring, can you hear them sing
Singing 'bout a gift to mankind that God is gonna give

C1 They say He's the Prince of peace, the Lord of Lords,
the Anointed one
Say He's the image of the invisible God, the everlasting King
But still He's just a child
