

For the rest of my life

(D. Brooks)

A1 Since I've known you Lord
You have never changed
You have always been
The same

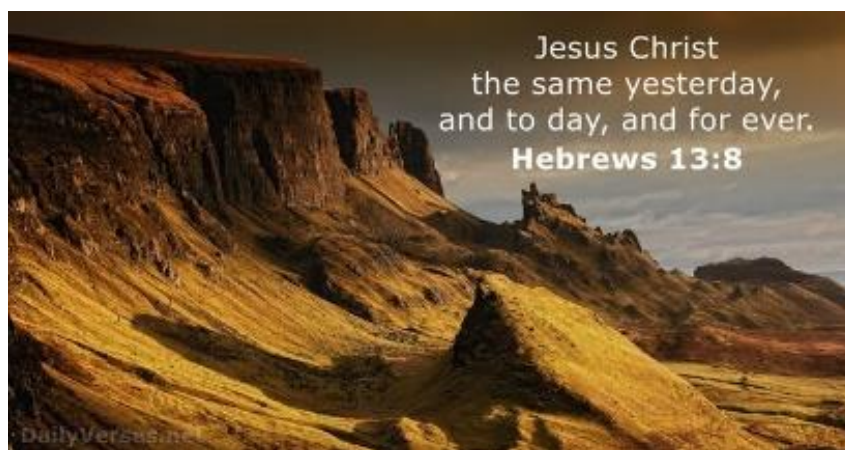

Still a mother for the motherless
Still³ a friend for the friendless
Still a way out of no way
Yes, yes

When the road gets rough
And the going gets tough
You're still the same
You never change
No, no

And for the rest of my life
I will hold you close
And for the rest of my life
I worship, praise and love you
