

## **I turn to Christ**

**A1** I'll live for the highest name  
I'll live for what matters most  
Let the glory of who You are burn in my soul

**A2** I'll carry the highest name  
I'll treasure what matters most  
Let the glory of who You are burn in my soul

**B1** And I turn, I turn to Christ alone  
I surrender all, I surrender  
And I live, I live for You alone  
All my heart and soul I surrender

**A3** Whatever may come my way  
Whatever tomorrow holds  
Let the glory of who You are stay in my soul

**B2** *Samma som B1*

**C1** I turn to Christ  
I give my heart, I give my life  
I turn to Christ  
I'm living for something so much greater

**D1** Oh  
Oh

**B3** *Samma text som B1 men unisont*

**B4** *Samma som B1*

**C2** *Samma som C1*

**C3** *Samma som C1*

**D2** Oh  
Oh  
All my heart and soul I surrender

**A4** Whatever may come my way  
And whatever tomorrow holds  
Let the glory of who You are stay in my soul  
(And) I turn, I turn to Christ
